

State budgetary health care institution (GBUZ) «Kuzbass Clinical Cardiological Center named after academician L.S. Barbarash»

No.	Nomenclature code	Name of service	Cost of service, rub.
1	B01.015.006	Daily examination by a cardiologist with observation and care of nursing staff in the hospital department	1 600,00
2	B01.023.003	Daily examination by a neurologist with supervision and care of nursing and junior medical staff in the hospital department	1 600,00
3	B01.024.003	Daily examination by a neurosurgeon with supervision and care of nursing staff in the hospital department	2 816,00
4	B01.015.006	Daily examination by a cardiologist with observation and care of nursing and junior medical staff in the hospital department in increased comfort conditions (level 3)	4 900,00
5	B01.015.006	Daily examination by a cardiologist with observation and care of nursing and junior medical staff in the hospital department in increased comfort conditions (level 2)	3 250,00
6	B01.015.006	Daily examination by a cardiologist with observation and care of nursing and junior medical staff in the hospital department in increased comfort conditions (level 1)	2 425,00
7	A19.23.002.012	Procedures to reduce spasticity (adults)	13 814,00
8	B03.015.007	A set of studies for a planned cardiological/neurological patient	1 821,00
9	B03.015.007	A set of studies before coronary angiography	16 481,00
10	B03.003.001	Complex of studies of a planned neurosurgical patient	1 767,00
11	A11.23.003	Administration of drugs into the epidural space (adults)	517,00
12	A16.03.045	Plastic surgery of skull bone defect (polymer material)	51 942,00
13	A16.04.032	Removal of a herniated intervertebral disc (lumbar region)	22 666,00
14	A16.04.032	Removal of a herniated intervertebral disc (neck area)	24 287,00
15	A16.23.024	Microsurgical removal of brain tumors (adults)	164 942,00

16	A16.23.033.001	Microsurgical removal of spinal cord tumors (adults)	59 964,00
17	A11.12.001	Catheterization of the subclavian and other central veins in the hospital	3 963,00
18	A16.09.001	Thoracentesis	5 497,00
19	B01.003.003	Daily observation by an anesthesiologist-resuscitator	6 279,00
20	B01.003.004	Anesthetic care (including early postoperative management) hospital	4 047,00
21	B01.003.004.001	Local anesthesia, in hospital	540,00
22	B01.003.004.006	Epidural anesthesia (third stage of complexity)	25 084,00
23	B01.003.004.006	Epidural anesthesia (first stage of complexity)	11 547,00
24	B01.003.004.006	Epidural anesthesia (second stage of complexity)	16 088,00
25	B01.003.004.009	Total intravenous anesthesia (third stage of complexity)	36 933,00
26	B01.003.004.009	Total intravenous anesthesia (first stage of complexity)	18 655,00
27	B01.003.004.009	Total intravenous anesthesia (second stage of complexity)	25 668,00
28	B01.003.004.010	Combined endotracheal anesthesia (third stage of complexity)	78 616,00
29	B01.003.004.010	Combined endotracheal anesthesia (second stage of complexity)	50 956,00
30	B01.003.004.010	Combined endotracheal anesthesia (first stage of complexity)	27 254,00
31	A06.10.006	Coronary angiography using 1 bottle of contrast agent	25 866,00
32	A06.12.009	Angiography of the thoracic aorta, retrograde	27 154,00
33	A06.12.009	Angiography of the thoracic aorta, retrograde (with coronary angiography)	27 154,00
34	A06.12.009	Angiography of the thoracic aorta, retrograde (with coronary angiography and angiography of the abdominal aorta)	30 540,00

35	A06.12.012	Comprehensive service for coronary angiography and angiography of the abdominal aorta in a hospital	30 244,00
36	A06.12.031.001	Total selective cerebral angiography (with coronary angiography)	32 203,00
37	A06.12.031.001	Total selective cerebral angiography	32 203,00
38	A06.12.039	Direct angiography of the arteries of the lower limb	26 552,00
39	A06.12.040	Angiography of the arteries of the lower extremity, retrograde (using 1 bottle of contrast)	28 912,00
40	A06.12.049	Angiography of the pulmonary artery and its branches (using 1 bottle of contrast)	27 154,00
41	A16.10.008	Pericardiocentesis	25 847,00
42	A16.12.004.009	Transluminal balloon angioplasty and coronary artery stenting	231 765,00
43	A16.12.004.009	Transluminal balloon angioplasty and coronary artery stenting	294 845,00
44	A16.12.004.009	Transluminal balloon angioplasty and coronary artery stenting	183 780,00
45	A16.12.026.012	Transluminal balloon angioplasty of the coronary arteries in the hospital	113 864,00
46	A16.12.030	Balloon intra-aortic counterpulsation	193 477,00
